BOOK SYNOPSIS

Babies love baby animals, and now they can learn all about them in a book that's indestructible. This charmingly illustrated menagerie includes some of the fuzziest, wuzziest, cuddliest, and cutest babies in the animal kingdom. With over two million copies in print, Indestructibles are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it--gumming, spilling, dragging across the floor--Indestructibles are the little books that could. They're indestructible. And if they get dirty, just throw them in the wash.
