BOOK SYNOPSIS

Master the art of Kendo—Japanese Swordsmanship with this illustrated and comprehensive martial arts guide. Kendo or the "Way of the Sword" holds a special place within the martial arts as one of the few practices tracing back directly to Japans ancient samurai heritage. Modern students flock to kendo for physically—and mentally—challenging activity that combines traditional martial arts values with strenuous physical activity. Author Geoff Salmon has over 40 years of kendo experience. His goal in this kendo guide is to dispel many misconceptions about the sport and to make kendo training accessible and effective for anyone. His simple, straightforward writing style is especially helpful for beginning students and martial artists from other disciplines who wish to add kendo training to their repertoire. The core of this kendo book is a series of detailed instructional sequences demonstrating the basic kendo techniques. The author also presents the fundamental principles and philosophy that make kendo as much an exercise of the mind as of the sword. For many adherents, the goal is to train your mind to achieve a state of mushin (no-mind). Beyond that, this book also shows you how to win competitions and integrate kendo into your personal fitness routines.

KENDO A COMPREHENSIVE GUIDE TO JAPANESE SWORDSMANSHIP - Are you looking for Ebook Kendo A Comprehensive Guide To Japanese Swordsmanship?
