BOOK SYNOPSIS

Looking at Movies is the most effective, engaging and widely adopted introduction to film analysis available. From its very first chapter, Looking at Movies provides students with all the tools they need to become perceptive viewers of film, including the most sophisticated and seamlessly integrated media resources that are rich with comprehensive analysis and assessment tools ever produced for a textbook in this market. Authoritative, accessible, and of superior value, Looking at Movies offers instructors abundant teachable resources to help students analyse movies critically and effectively.
