BOOK SYNOPSIS

In *Practical Strategies for Technical Communication*, Mike Markel gives students the essentials they'll need to communicate successfully in today's workplace. The book offers concise and accessible yet thorough coverage of audience and purpose, research, style, and document design, and strategies for designing all of the major document types. For the second edition, Markel has worked with organizations to choose sample documents and annotate them with insights and advice from the employees who developed them. Throughout the text, a new set of engaging graphics provides visual explanations of key concepts. *Practical Strategies for Technical Communication* is now available with LaunchPad- a customizable course space featuring an ebook and an exciting array of digital resources including a test bank, adaptive quizzing, multimedia Document Analysis Activities, and more. To order or purchase the print book packaged with LaunchPad, use ISBN 9781319018207.
