## **BOOK SYNOPSIS**

How to create an effective social media strategy for a school or district School leaders may be familiar with social media in their own lives, but many still need help in effectively using social media in their professional practice. In this book, Brian Dixon, an expert in social media in education, offers detailed descriptions of the best online tools available today and provides step-by-step instructions for using them to move a school community from awareness to advocacy and from feedback to collaboration. Offers school leaders everything they need to implement social media throughout their campus and their communities Contains expert advice for creating a sustainable social engagement strategy Features screenshots and examples from schools and individuals who are using social media to the best effect This important resource can help savvy school leaders shift their leadership strategy from communicating to connecting.
