## BOOK SYNOPSIS

Jay McInerney has written unique, witty, vinous essays for over a decade. Here, with his trademark flair and expertise, McInerney provides a master class in the almost infinite varieties of wine, creating a collage of the people and places that produce it all over the world, from historic past to the often confusing present. Stretching from France and South Africa to Australia and New Zealand, McInerney's tour is a comprehensive and thirst-inducing expedition that explores viticulture, investigates great champagne and delves into a vast array of styles, capturing the passion that so many people feel for the world of wine.
